

Match the activity in the left column with the correct area of the museum, on the right:

A large amphora broken into pieces, waiting to be cleaned and restored. ●

Children making a clay pot, helped by an assistant. ●

The Dame of Cabezo Lucero ●

Recording an Iberian falcata (sword) with photographs and technical drawings. ●

A Roman coin left to soak in a container with cleaning products. ●

Excavation reports from a site in Alicante ●

● EDUCATION ROOM

● EXHIBITION HALL

● STORES

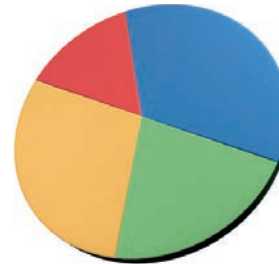

● IMAGE ARCHIVE

● LIBRARY

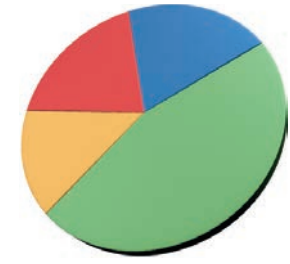

● CONSERVATION LABORATORY

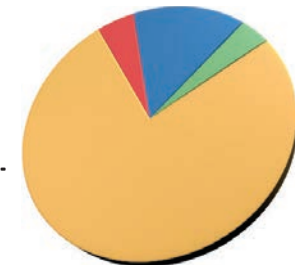

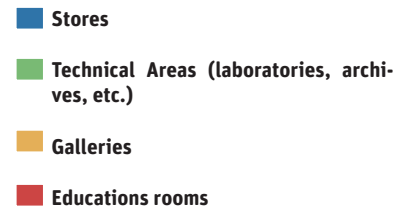

If you had to design your own museum, how would you divide up the space? Choose the most appropriate option.

Option B

Option A

Option C
